FACTS:

The Little Music Makers is the best place for your budding musician! We sing age-appropriate folk songs, explore new languages, dance, and learn rhythm patterns. The program runs 12 weeks in the fall and spring and offers two age groups:

Wrens: Pre-K (Ages 3-5)

This 30 minute, once-a-week class presents the beginning fundamentals of music and rhythm in a fun, inviting and high-energy atmosphere. Parents are invited to participate and younger siblings are welcome too!

Mockingbirds: K-2 (Ages 5-8)

This 60 minute, once-a-week class teaches children the importance of working together to make a joyful noise! This immersion program is designed to naturally refine your child's innate musical abilities and culminates in a performance for parents and friends at the end of each session.
